# FOUNDER'S NOTE

**Purposeful Greetings, Dear Patrons and Supporters,**

**Freedom is nothing but the chance & choice to do better, to scale greater heights, to dream bigger and to always keep the creativity & curiosity spirit alive.**

**It is no coincidence that the New Year brings with it a unique and powerful sentiment, a feeling woven from threads of history, pride, and a shared vision for the future. This is the spirit of Republic Day, a day that transcends mere celebration.**

**Beyond the individual and the family, Republic Day is a salute to the spirit of enterprise and self-reliance that the Constitution envisioned. The progress of the nation is intrinsically linked to the strength of its economic backbone.**

**In the context of us at Purnkuti, the significance of Republic Day, which follows our Foundation Day celebrations, has evolved and deepened. It's a time for action after deep introspection, a time to chart the course for our journey ahead.**

**We stepped into the New Year with renewed energy and purpose, as we joined hands with HDFC Bank to execute a project under the Parivartan Small Grants Program 2025-26, anchored by BharatCares. The trust & confidence that they have bestowed upon us for this short-duration, high-impact project speaks volumes about our capabilities and proven deliverables.**

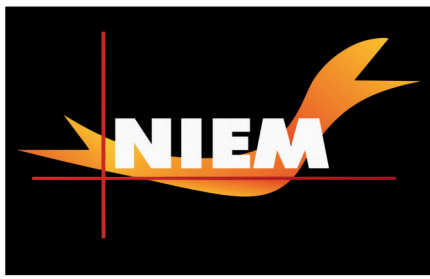

**This month, Team Label Purnkuti has made us all proud by showcasing our in-house, exclusively curated accessories at the 25<sup>th</sup> edition of Mr. & Ms. Universe hosted by NIEM. It was truly a moment of pride as our products were seen & appreciated by respected members from the Film & Fashion Fraternity. Details & pics of the same have been mentioned in the pages that follow.**

**To conclude, as we immerse ourselves in the coming months towards making a meaningful difference, let us take the time to appreciate the freedom and rights we enjoy and to renew our commitment to the values of our republic—to contribute, in our own unique ways, to the ongoing task of building a stronger, more inclusive, and more prosperous India. It is a celebration of our incredible past and a confident stride into a future we are all building together.**

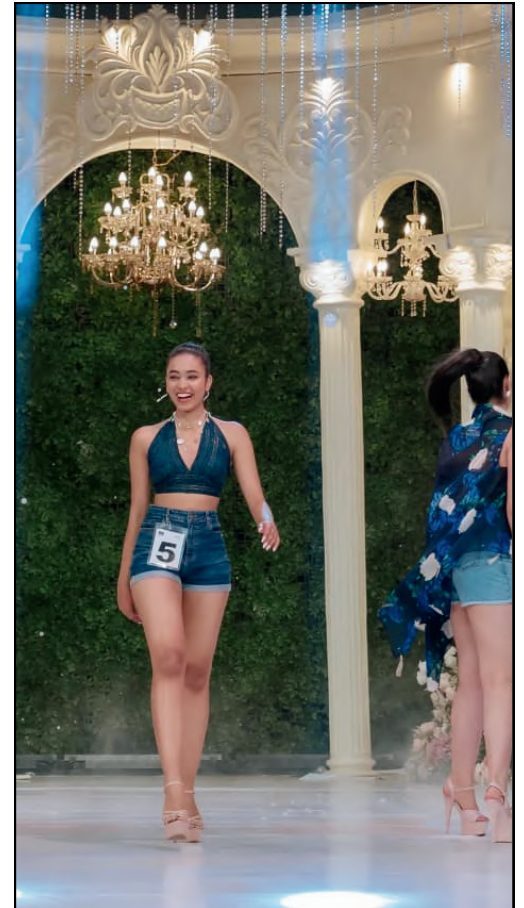

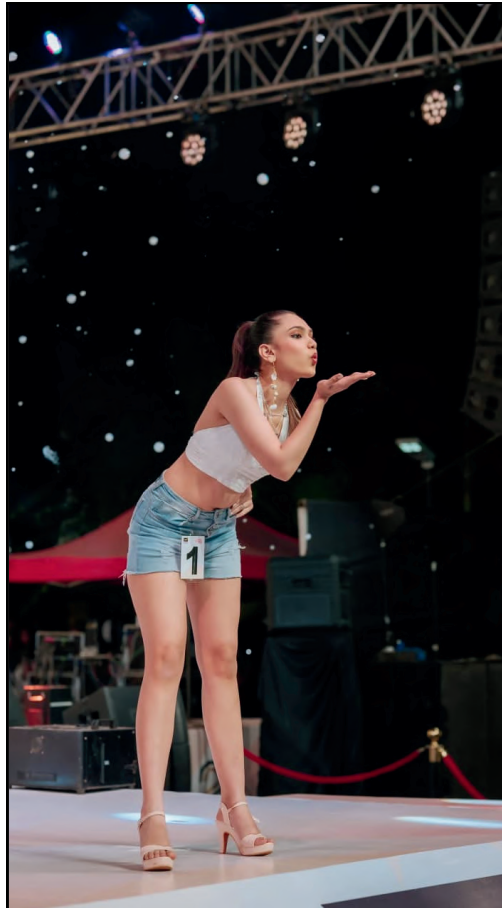

**Happy Times Ahead.**
