FOUNDER'S NOTE

Dear Supporters,

“Let February be a reminder that even in the coldest depths, the seeds of hope still dream of spring.” — Richelle E. Goodrich.

The month of February, besides being dedicated to expressing love, affection, and admiration; also marks World NGO Day. This day is a reminder that civil society is not defined by institutions alone, but by people—individuals like you who choose to care, help, and act.

In the past month, we have focused on reaching out to a wider, discerning and purposefully led network, getting a deeper and more evolved understanding of the overall Social segment and in the process, pivoting our capabilities as per the emerging trends. With this thought process, we applied and were delighted to be invited to the Dasra Philanthropy Week(DPW) event 2026.

DPW is an annual event that brings together Leaders, Practitioners & Partners across the ecosystem to reflect, collaborate and shape the future of philanthropy and social impact in India. It was an impactful day where leaders across philanthropy, non-profits, government & the private sector came together to unlock actionable pathways for a collective impact.

In continuation to us adding value to the Organisations Foundation Day celebrations with Meaning and Focus, we were Thrilled & Grateful to have hosted Securonix Foundation Day as a part of SECURONIX SERVES 2026, at our Wadgaon Sheri centre.

Senior Leadership representatives, along with Team members from Securonix Pune office, had a Purposeful & Meaningful interaction with our Project Manosakha kids, filled with inspiring stories, fun activities, games, exchange of gifts & goodies.

As we approach the end of the current financial year, I write to you with heartfelt gratitude for your generosity and support. Thank you for being the unsung heroes of social change and for strengthening the communities we serve.

I conclude by quoting the most selfless and noble soul, whom we all draw a great deal of inspiration:

“No one has ever become poor by giving. It’s not how much we give but how much love we put into giving.” — Mother Teresa

Thank you for trusting us to make a difference.

With deep gratitude,

Sneha Bharti.

HEARTFELT GRATITUDE

We sincerely thank Securonix for celebrating their Foundation Day with the Project Manosakha children. The engaging games, thoughtful gifts, and joyful interactions brought immense happiness. The event, part of SECURONIX SERVES 2026 at our Wadgaon Sheri center, featured inspiring stories and meaningful activities with Securonix's senior leadership and team members. We appreciate Team Securonix for their impactful engagement that brought joy and smiles to everyone.

IMMENSE GRATITUDE

We extend our heartfelt appreciation to Ms. Pallavi Singh (Tarot Card Reader), Ms. Jesal Bhuta (Passionate Baker), and Ms. Preeti Pagaria (Designer) for bringing joy to the children of our Project Manosakha at our Raviwar Peth center.

Your kindness through goodies and exam essentials has added smiles and motivation to their journey. Thank you for being a part of their brighter future.

DEEPEST GRATITUDE

Dr. Nivedita Das, President of IWC (Inner Wheel Circle) Pune Imperial, visited the Raviwar Peth Center to understand the challenges faced by beneficiaries of the Dhara Project. This visit aimed at meaningful engagement and improving support systems. As a gesture of compassion, chikki packets were distributed, reflecting the organization's commitment to community service and sustainable impact.

Waterlily Public English Medium School offers a CBSE-based curriculum to underprivileged children of rural communities of Patna, Bihar. We aspire to foster the children's personal, social, emotional, and physical growth by providing them with a safe and secure learning ecosystem.
