FOUNDER'S NOTE

Dear Purnkuti Family,

"Stories don't just live in books. They live in people, places, and everyday moments."

April bloomed with purpose at Purnkuti, as we turned words, partnerships, and sustainability into real impact.

This year, we proudly celebrated **Pune's World Book Day**, by bringing Literature in Action –where words moved beyond expression and become real experiences. At our Raviwar Peth centre, our women beneficiaries dove into ***She Spoke, The World Changed*** (sharing of & understanding Poems & Stories of Women Reformers who have played a significant role in shaping society), while our remedial education kids explored ***Kahani, Kahani Ki Tarah*** (fun and engaging activities such as quizzes, book read-aloud, and a display of books). The intention behind these activities was to make literature more accessible and to create meaningful human connections, offering inspiration and an enriching experience to all.

We also took a momentous step towards empowering the next generation by signing a 3-year MoU with **Symbiosis College of Arts and Commerce (SCAC)**. This partnership creates hands-on internship opportunities, letting students step beyond classrooms to tackle real-world challenges and exchange knowledge that mutually enriches.

We actively participated in the **CII NGO Capacity Building Program**—a specially curated two-day event by **CSR Heads** of leading companies, designed to empower NGOs with the knowledge, tools, and systems required to become strong and credible partners in CSR-driven development, thus building capacities in **leadership, governance, project management, technology integration, and impact measurement**.

Earth Day shone brighter through a meaningful & purposeful collaboration with **HCL Technologies**. We conducted Denim Donation drives across their four campuses, upcycling the collected fabric into exclusive products for their team—thus tackling fabric wastage while crafting sustainable treasures that shall be available for sale next month.

A heartfelt thank you to **ATOS IT Solutions** for trusting us by gifting their visiting Senior Leadership team our upcycled Denim products. We can now proudly say that our Label Purnkuti products are Locally curated and Globally accepted.

These moments remind us that true change happens when we connect, create, and care.

With gratitude,
Sneha Bharti

INDUSTRY PARTNERSHIP

The significance of fostering robust partnerships with industrial bodies and continually enhancing our capabilities cannot be overstated. This month our Project Coordinator, Ms. Amruta, had the privilege of representing our organization at the CII NGO Capacity Building Program, a thoughtfully designed two-day event orchestrated by the CSR leaders of prominent companies. This initiative aims to empower NGOs by equipping them with the knowledge, tools, and systems necessary to become credible and effective partners in CSR-driven development.

PURPOSEFUL COLLABORATION

MAKING EARTH DAY CELEBRATIONS MORE MEANINGFUL.

Denim Donation Drive in partnership with HCL Technologies. Used, clean denim items were collected from all employees between 10th to 30th April 2026 across HCL Tech locations in Pune. They were then delivered at our Production Unit, where they shall be upcycled into Exclusive Denim products that shall be made available for sale at the HCL campuses in the month of June.

EMPOWERING THE NEXT GENERATION THROUGH EXPERIENCE AND PURPOSE

We have signed a 3-year Collaboration with Symbiosis College of Arts and Commerce to empower students through hands-on experiences and internships. This collaboration aims to connect young minds with real-world challenges and foster knowledge exchange.

INSTITUTE PARTNERSHIP APPRECIATION.

LITERATURE IN ACTION

We proudly partnered with the [Paalvia Foundation](#) in hosting the 4th edition of **Pune's World Book Day**, bringing alive the theme "**Literature in Action**" at our **Raviwar Peth centre**. The event transformed literature into lived experiences, showcasing how words can inspire change, build communities, and create a meaningful impact; standing out for its strong emphasis on Inclusion & Community engagement.

"The experiences we create today may become the stories people tell tomorrow. Through this festival, we want people to see Literature not just as words on a page, but as a force that shapes lives, perspectives, and communities," **Vaibhav Paliwal, Founder – Paalvia Foundation**.

We continue looking forward to curating such experiences that bring Literature Alive.

A heartfelt gratitude for the Artists; Asawari Doshi & Priya Mohire for conducting the event in such a interactive, wonderfully meaningful and highly engaging manner.
