GRATEFUL HEARTS, STRONGER TOGETHER

FOUNDER'S NOTE

Dear Purnkuti Family,

"Empowerment begins when we nurture potential, cherish sustainable action, and celebrate every milestone that brings our communities closer to self-reliance."

July has been a month filled with inspiring progress, meaningful partnerships, and moments of deep gratitude across all our initiatives. Together, we have continued to turn possibilities into impactful action.

I am humbled and deeply honored to share that I received the Samaj Ratna Award from the Priyadarshini Group of Schools this month. This recognition is a testament to the collective hard work, passion, and

resilience of our entire team, beneficiaries, and supporters who make Purnkuti's mission possible every single day.

Our commitment to holistic child development flourished at Project Manosakha and Waterlily Public School, where children engaged in creative upcycling crafts, life skills sessions on financial literacy and teamwork, and vibrant cultural celebrations like our Palakhi drive. Simultaneously, our team participated in crucial staff capacity-building workshops centered around gender identities and sexuality to foster an inclusive, empathetic learning environment.

At Project Dhara, our women empowerment initiatives reached new strides through specialized vocational modules in fashion design, beauty care, market demand analysis, and digital marketing via Instagram. In line with our goal of sustainability and ethical craftsmanship, our partnership with the HCL Foundation saw 45 kg of donated fabric upcycled by our talented artisans at Label Purnkuti into beautifully crafted laptop bags, tote bags, and accessories, which were proudly showcased at our HCL corporate stall. We also celebrated creative spirit with our Rakhi drive, empowering 20 women beneficiaries to design handcrafted rakhis.

Every step we take is driven by your unwavering belief in our cause. Thank you for standing by us as we pave the way toward a brighter, more empowered tomorrow.

With gratitude,

Sneha Bharti

Founder, Purnkuti

Engagement Drive - HCL Foundation

45 kg of Fabric, 1 Big Purpose.

HCL Foundation stepped up for the planet by donating 25 kg of denim and 20 kg of cotton & terricot. Cleaned, sorted, and given a second chance. We turned that generosity into craft under Label Purnkuti

Sturdy Denim: Upcycled into heavy-duty laptop bags.

Versatile Cotton: Crafted into chic tote bags & daily accessories.

Waste reduced. Style created. Life was restored.

Waterlily Public English Medium School offers a CBSE-based curriculum to underprivileged children of rural communities of Patna, Bihar. We aspire to foster the children's personal, social, emotional, and physical growth by providing them with a safe and secure learning ecosystem.
