FOUNDER'S NOTE

Dear Purnkuti Family,

September has been a beautiful month of learning, creativity, and festive joy across all our initiatives. As we celebrated Krishna Janmashtami, Teacher's Day, and the spirit of Ganpati, our community reached new milestones in self-reliance and holistic development.

Our educational spaces buzzed with energy this month. At **Waterlily Public School**, students enthusiastically participated in the Student Mela alongside joyful Teacher's Day and Janmashtami celebrations. Similarly, at **Project Manosakha**, children engaged in creative Ganpati and paper flower bouquet making, while also focusing on basic communication skills through our life skill sessions. To ensure we provide the best mentorship, to further enhance our instructional capabilities, our team underwent specialized staff training with the Door Step School Foundation on leveraging Teaching-Learning Materials in the classroom.

At **Project Dhara**, our women beneficiaries took significant steps toward financial independence. They expanded their expertise across vocational courses including basic parlour, fashion designing, basic tailoring, mehendi, and nail art. We enriched their journey with soft skills awareness sessions and an Entrepreneurship Development Programme focused on business planning and financial literacy. A major highlight was their exposure visit to Femina Flaunt in Shivajinagar, where they gained real-world insights into facials, makeup, and various beauty fields. We were also incredibly proud to distribute certificates to our Basic Make-up and Digital Earner batches, and successfully set up a **Label Purnkuti** stall at Johnson Controls of India.

As we look ahead to the auspicious festivals of Navratri and Dussehra - a time that celebrates strength, goodness, and nourishment - we are launching a special drive to provide **Nutrition Kits** for our students. Proper nutrition is the very foundation of a child's ability to learn and thrive. I invite you to join us in this mission; your support in feeding a student this festive season will be the greatest gift of empowerment.

With Gratitude,
Sneha Bharti
Founder, Purnkuti

“

"Education and empowerment are the brightest lights we can kindle to dispel the darkness of inequality. As we celebrate the teachers who guide us and the festivals that bring us together, our commitment to growth only deepens."

”

WATERLILY PUBLIC SCHOOL

Waterlilly Public English Medium School offers a CBSE-based curriculum to underprivileged children of rural communities of Patna, Bihar. We aspire to foster the children's personal, social, emotional, and physical growth by providing them with a safe and secure learning ecosystem.
